

Expect Miss Morse to Score New Haven

Janet B. Morse of Bath, Me., sister of Charles W. Morse, the banker, is expected to score in the New Haven primary election, directly or indirectly, by her exertions in the interest of the Republican ticket.

Miss Morse's suit in effect asks that the Republican ticket be placed in the Boston-New York primary.

Foss Gives Up Hope of Thayer's Assent

It became known definitely at the State House today that Governor Foss has practically given up all hope of getting John Thayer of the Harvard Law School to accept the nomination for the vacancy on the State Supreme bench, and that he will probably withdraw the nomination next Wednesday. It is understood that he will name a Superior Court Justice for the place.

Militants Blow up Holloway Jail Wall

LONDON, Dec. 19.—An attempt, attributed to suffragettes, was made to blow up part of the southeast wall of Holloway Jail with two bombs. The part of the wall attacked was near the cells in which suffragettes are usually confined.

The explosion did no damage to the jail, but the surrounding brick wall will need rebuilding.

"AXEMAN" IS CHARGED WITH 55 ROBBERIES

James W. Fringle, Jr., the nineteen-year-old "axe man," as the police call him, and a sixteen-year-old companion, Bertha Eldridge of Lowell, were indicted by police of a dozen places today in Somerville, with result that, before all the officers had had their turn, accusations of fifty-five distinct cases of breaking entering and larceny were leveled against Fringle.

Previous to this wholesale grilling Fringle pleaded guilty in Somerville District Court to one break in Norwiche, denied three others and was held in jail for a continued hearing next Tuesday.

The girl was charged to be turned over to the Lowell police, who have placed a serious charge against her. Chief Kendall of Somerville says that Fringle has probably been connected with thirty-six different breaks in that city since last February, all bearing the same method—entering by the cellar and forcing the kitchen door with an axe—bearing the term the "axeman."

MANY BREAKS IN RECORD. The Cambridge inspectors said they are satisfied Fringle committed ten breaks there. Everett police blame him for four and Malden for ten, while Inspector Petrie of Lowell charges him with one specific break in Lowell and thinks he can be connected with several others.

Fringle and Miss Eldridge were arrested in Fringle's sister's home in Somerville. The girl had a revolver which was identified today by W. O. Russell of No. 13 Albion street, Lawrence, as stolen from his home in December.

The Somerville Court hearing today was attended by police chiefs, inspectors or patrolmen from Lowell, Lawrence, Boston, Reading, Winchester, Malden, Wakefield, New Bedford, Cambridge, Waltham, Everett and other places.

After the hearing Fringle was taken into Chief Kendall's office, where the chief told him about the charges and then looked at property taken at the time of the arrest.

GIRL ALSO OUTRAGED.

Then the girl was brought over from the mother's home to be questioned with him.

Mrs. Dunn of Everett positively identified Fringle as the man who had entered the home of Frank Jeffrey of No. 14 Hampshire street on December 18.

In a Lowell robbery the thief carried a watch that was later identified by a reading victim of an axe man's break.

Bryan Off for Week at Florida Home

WASHINGTON, D. C., Dec. 19.—Secretary of State Bryan will leave Washington tonight for a week's visit to his winter home in Miami, Fla. En route the Secretary of State will stop at Asheville, N. C., and Jacksonville, Fla. The secretary has no speeches scheduled for the trip.

MISS BESSIE L. BALCOM, L. J. Hewitt's stenographer, called as a witness in forged nomination papers probe.

Investigation of the charges that about 5,000 signatures on the nomination papers of Lewis J. Hewitt for the City Council were either forged or fictitious was resumed by Assistant District Attorney Daniel V. McLaughlin today.

Two girls employed at the Atlantic Printing Company were called to the District Attorney's office. They are Missess Deane L. Balcom of No. 211 Harvard street, Dorchester, and Miss Catherine C. Cooney of No. 675 Grove street, Newton Upper Falls.

Miss Balcom, who has been employed as stenographer more than three years, said it is claimed, that she checked off this number of signatures on papers brought to her by forty men.

He said that for the purpose, these papers were given her by Hewitt, as chairman, and are the papers that contain the questionable signatures.

The December Grand Jury may find Monday to take action on the evidence.

Hewitt disclaims he has been hooded by unscrupulous canvassers and that the present city charter is to blame for leaving candidates at the mercy of crooks.

Hans Schmidt's Night Life Told

NEW YORK, Dec. 19.—The "night life" of Hans Schmidt, who is on trial for the murder of Sam Austin, was furnished a sensational bit of testimony today when the case was resumed before Judge Foster.

Lewis Hann, a former companion of the accused clergyman, testified that he and Schmidt had frequently called on young women members of the congregation of St. Boniface Church.

"We went to dance and a vaudeville show," said Hann. "Sometimes Schmidt would hold impromptu parties in the basement of the church and he always picked out the prettiest girl for himself."

Split Threatened in Suffrage Ranks

WASHINGTON, Dec. 19.—A nationwide break in the ranks of woman suffragists is threatened today as the result of the action of officers of the National American Woman Suffrage Association in ousting Miss Alice Paul from the chairmanship of the congressional committee of the national association. This action is said to be virtually a declaration of war between the national association and the Congressional Union for Woman Suffrage, which raised \$25,000 last year and which raised \$25,000 last year and which raised \$25,000 last year.

MEAT INJURIOUS TO THE KIDNEYS

Take a Tablespoonful of Salts if Back Hurts or Bladder Bothers.

We are a nation of meat eaters and your blood is filled with urea and says a well-known authority, who warns you to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but because weak from the overwork they get sluggish; the eliminative tissues lag and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have nervous headache, nervous and dizzy spells, sleeplessness, acid stomach or flatulence in bad weather, get from your pharmacist about four ounces of Jad Salts: take a tablespoonful in a glass of water before breakfast each morning, and in a few days your kidneys will not feel like lumps of lead.

This famous salt has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder discomfort.

Jad Salts is inexpensive and cannot injure; makes a delicious effervescent (fruit-water drink), and nobody can get a chance to try taking it without constantly to keep the kidneys clean and active.

3 Johns Get Year for Laundry Raid

Three Johns, Olson, a Dane; Smith, a Finn, and Ross, a Hawaiian—and one Joseph Powell, an American—were found guilty in the Quincy Court today on the charge of assaulting Ben Goon, a Quincy Chinaman. The police accused the men of pretending to be detectives and raiding Ben's laundry. Each was sentenced to a year in the House of Correction.

Barber Shop for New York Church

NEW YORK, Dec. 19.—A special barber is the latest innovation in church life. St. George's Episcopal Church, while this late J. Pierpont Morgan endowed with half a million dollars, has installed a barber shop for the choir.

First Ice-Coated Vessels in Port

Vessels coming into the harbor today were coated with ice for the first time this winter. There was a strong northeast gale last night and the low temperature caused the ice to freeze where it fell. The steam trawler Wave was heavily coated and, with the schooner Ice half up its rigging gave to the wharf a wintry look.

Visit Our Model Store on Federal Street

We extend to our many friends in all parts of New England a cordial invitation to visit our model store on Federal street any time they are in Boston. We shall be glad to have you see how the leading store in its line in New England takes care of the orders that come by mail and the business over the counters. The courtesy and despatch with which our careful salesmen wait upon customers are not to be surpassed in any store. Our building is centrally located—one minute's walk from the South Station. Cars to and from the North Station pass our door, and can see Black away connect with the Subway and the Tunnel. It is not necessary, however, to visit our store in order to buy our goods. Your orders by mail are given just as careful attention as those filled over our counters. This is why we have the good will of the people in almost every city, town and village in New England.

Most of our friends became acquainted with us first through a trial of Callahan "A" Whiskey at 4 quarts for \$3, 6 quarts for \$4.50 and 8 quarts for \$6. (Express paid to any point in New England.) Callahan "A" Whiskey is the greatest business builder we have ever handled. It pleases more people than any other brand we know about. Men who know good whiskey when they taste it tell us that it beats anything on the market. Still it costs less than many well known brands. We know all about Callahan "A" and we feel perfectly confident in recommending it to you in our advertising—to anyone no matter what other brand you may have been buying. We know it's the greatest value in whiskey that we have ever seen in our history, covering nearly half a century, and it's worth asking for by name. If you are not acquainted with Callahan "A" make it your next order. If you say it is not all that we claim for it—we will return your money cheerfully. Send for our illustrated catalogue.

BUREAU ACCEPTS CHALLENGE
JOE BUREAU, the Somerville band leader, informs us that Mickey Brown need not waste any time challenging him as nothing would please him better than another whirl with the Malden youth. Hudreau advances the information that he has been trying to get another bout with Brown for the past two months but that he has experienced but little success. How about it, Mickey?

JACK JOHNSON, who still claims he is the heavyweight champion of the world, will don the padded mitts in a tryout bout with Jim Johnson in Paris this evening. The affair will be more in the nature of an exhibition, since the two fighters are not expected to go the distance. Johnson is only a third rater and there are even scores of "white hopes" who are able to vanquish

Rodel is about as good as the average "white hope," which is sufficient evidence to send him to prison for life.

MANAGER BILL CARRIGAN of the Red Sox is billed to leave these hospitable shores at noon today and make his way back to the north of Lewiston, Me. In Mr. Lannin, Manager Carrigan has found a man he believes he can work well with, and in Manager Carrigan Mr. Lannin has found a man whose views will make a very capable leader for the Red Sox.

considerable business was transacted during Carrigan's stay, among which was the appointment of Joe Judge as Green as trainer. Green was with the club as trainer when Carrigan joined the team a year ago. He is well liked by all the Red Sox players. He will take his position as manager of the team when superseded by Trainer Quirk, who came along with the new regime.

Joe Green has proved to be just the kind of man his friends said he was in mastering the details of the job of a professional. He has taken hold of his new duties with enthusiasm, and all the new fans of the Sox since he became connected with the club are impressed with his

BASEBALL, as played in America, is severely criticized by a member of the Australian cricket team, which recently toured the United States and Canada. A Sydney paper containing an interview with the cricketer on the return of the team to Australia has just been received here.

"Candidly," the Australian athlete is quoted as saying, "baseball as played in America is a fine game, but in the United States it is not cricket. But that spirit is not known in American baseball, and that is the great quality associated with bluffing of a character foreign to the Australians. One must be a gentleman."

"There is, of course, big money in it here, but if baseball is ever to be a sport, the money must be divorced from the spirit which pervades its procedure."
